### TRANSMITAL LETTER

Dear Sir:

The applicant requests to enter national stage in United States of America for above-identified application. This application is claimed to be a CIP of application Ser. Nr. 10/507726, Filed on 09/10/2004 in USPTO. An amendment is also included to add the CIP statement in the first sentence of specification.

A copy of the International Application as filed is not required, as the application has been communicated by the International Bureau.

No translation is required, as the application was filed in English.

Appl. number PCT/US04/43900  
Amendment Date Jun. 25, 2006

A declaration of the inventor (35 USC 371(c)(4)) is not required, as the declaration has been communicated by the International Bureau.

Best regards,

Ting-Mao Chang

**Amendments to the Specification:**

Please add the following new paragraph after the title:

Cross-Reference to Related Application: This a CIP of application Ser. Nr. 10/507726, Filed on 09/10/2004.
